## The Book of Mormon

### SCRIPTURE STICKERS™ INSTRUCTIONS

Please read all instructions carefully before using Scripture Stickers™. Adult supervision is advised. Each Scripture Sticker™ is numbered. A description of each sticker along with its scriptural reference is listed. It is recommended that the sticker be placed directly on the scripture or as close as possible thereto; personal preference to sticker placement, however, is encouraged. The LDS Primary course and lesson numbers are included for your convenience. More information, along with teaching and studying suggestions, can be found on our web site at [www.scripturestickers.com](http://www.scripturestickers.com).

### IMPORTANT NOTICE

Scripture Stickers™ are manufactured to be as thin as possible. This allows your scriptures to hold hundreds of stickers without getting noticeably thicker. Because the sticker is so thin it is important to remove it from the sticker page slowly and carefully. If for any reason the sticker should begin to tear, stop immediately and remove it from the opposite side. Use scissors if the cut around the sticker is insufficient for easy removal.
